

Women's Groups Start Plans for New Girl Scout House

Program Mapped By Clubs

Civic Organizations Form Committee to Formulate Plans

Plans were set in motion yesterday for a new building to house the ever-increasing activities of Girl Scouts in the Village when a Women's Co-Operative committee met yesterday at the present small Girl Scout house on Bellard road.

Composed of members of various women's organizations in the Village, the committee meeting saw Miss Katherine Finchy representing the Soroptimists, Mrs. Hermine Rosin, Palm Springs Jewish Women's group, Mrs. Harold Murphy, Woman's club, Mrs. Emmaline Hume, Business Women's club, and Mrs. Frank Partridge, Legion Auxiliary, present.

ALL AGREED that the present quarters for Girl Scout activities in the Village are too small for a membership in excess of 200 and increasing steadily.

It was also announced that an interested advisory group of civic-minded men, one of whom submitted a report to the newly organized committee yesterday with suggestions as to the location of a new building will be formed.

IT WAS FELT that the concentrated efforts of this committee and the groups who were represented at the meeting will make it possible to have a new Girl Scout house by next fall.

Villagers interested in Girl Scout work are asked to contact the committee members for further information.

Queen Contest Will End Next Wednesday

Village beauties, contestants for the honor to represent Palm Springs in the finals for the Queen who will preside over the Riverside County Fair and National Date Festival in Indio, paraded before patrons of the Plaza Theater Wednesday night.

The contest, sponsored by The Desert Sun and 20 Village merchants, will close February 4. Sponsoring merchants report that ballots are being stuffed into the boxes every day and the contest will be a close one.

This Side Of The Sun

By Phat

Here's a story I hate to tell. We had ice here, 'twas cold as it ever gets in Palm Springs. . . Those people who promise to be constant 'til the sands of the desert grow cold had their opportunity this week. . . But—there wasn't a cloud of smog smoke hanging over the Village. Little grains of sand didn't bombard windows or pit the paint on autos, no hurricane winds ripped down trees and we did have sun, nice, warm sun, during the day. . . And the lowest here was several degrees higher than the highest in a lot of spots. . . That's something.

ONLY REGRET I had over the pleasure of sitting in on the Bob Hope broadcast Tuesday night was that I couldn't hear Connie Barlieau of the Dunes over the radio. . . What I mean is that it would have been a thrill to hear my perennial favorite singer in my currently favorite number, over the air. . . Being there in person to hear her was great, however. . . The new American Legion auditorium is going to be the site of many broadcasts this season, Charley St. George tells me. . . Jack Benny, Bob Hope again, Jolson, maybe Burns and Allen and several others. . . That announcement: "from the American Legion Memorial Building in Palm Springs" will be heard often on the air.

HAD JUST put Stan Kenton's "Minor Riff" on the phonograph last night when I read in the current "Downbeat" that Kenton said Jazz was neurotic. . . Hearing that record, I agree. . . Kenton also said something that pleased me much. . . He said Guy Lombardo had a great dance band. . . Sort of intimating, however, that this wasn't artistry. . . Maybe not but it drags in the dough. . . When you talk to members of Lombardo's band they don't talk music. . . They just brag about their estates on Long Island. . . They do not worry about notes, either kind. . . "Downbeat" also has a bit of praise for Martha Davis, now at the Pago Pago, in a story about her cutting eight sides for Decca. TRIBUTE—Bob Hope who played to a packed house at the Wars Memorial building Tuesday night, as a benefit for the Shriner's Los Angeles Crippled Children's hospital building fund, paid a glowing tribute to Shriner John Archibald. Group Studies Indian Land Situation Here

With Washington sources confidently forecasting action in this session of congress on a bill that would have far-reaching effect upon the 32,000 acres of Indian reservation in and about Palm Springs, a joint committee representing Chamber of Commerce, city and home-owner groups was formed this week to investigate the entire Indian land problem here and keep abreast of the national legislation.

The committee met at the Desert Inn at the call of Florian Boyd, Chamber of Commerce president. Following a lengthy discussion of the present status of the lands here and the legislation at Washington, a special committee comprising Herbert Samson as chairman, Councilman Tom Kieley, Charles Burkett, Harry Williams and Ben F. Shearer was appointed to bring in recommendations on the scope and method of operation of the central group. Another meeting will be called in the near future.

Reports of the committee revealed that the senate bill, forecast last fall by the Public lands committee provides granting full citizenship status to the Indians, issuance to them of allotments of land pending and the disposal of additional lands with the revenue to accrue to the tribal members. In the Agua Caliente tribe in Palm Springs are 62 members. Their reservation contains just short of 32,000 acres, with 5400 acres within the city limits of Palm Springs.

Woman Suffers Burns As Clothing Ignites

Accidentally igniting her clothes when she came too near a gas heater in her home on the reservation, Miss N. Kenton, 78, former Palm Springs school teacher, suffered third degree burns of the legs and back. The mishap took place at approximately 7:30 a.m. Tuesday. Miss Kenton was taken to Community Hospital and transferred to the Riverside county hospital the following day.

Ice Cream Vehicle and Automobile Collide

Fred Rogers of Indio, riding an ice cream motorized three-wheeler, is in Community hospital, the result of an accident at Cathedral City Saturday. His small vehicle collided with one reported driven by H. E. Peterson of The Cove as the latter turned in to park. Rogers suffered skull and rib injuries but is reported on the road to recovery.

Honor Court to Feature Scout Week in Village

Parents and friends of Boy Scouts will be given an opportunity February 10 at 7 p.m. to witness the work of that organization at a dinner, entertainment and award of merit badges at a Court of Honor, it was decided at a meeting of local and county Scout executives Wednesday night.

The event, to be held in the Legion auditorium, will also witness the chartering of four Scout troops, Cathedral City, Community church, Troops 39 and 44.

HAROLD LIENAU, chairman in charge of the local district, said the February 10 event was thrown open to friends and parents to get persons better acquainted with the work of building character in American youth. "We would like to see as many people interested in Scouting, as possible, present at the dinner," declared Lienau who has been searching desperately during the past three months for additional Scout Masters.

COST OF THE DINNER, he pointed out, will only be \$2 per plate and tickets can be purchased from any Village Scout troop or at the chamber of commerce.

The dinner and entertainment will be held at the height of National Boy Scout Week, February 6 to 12. Those present at the meeting included Lienau, Carl Helmick, county officer, Bill Kenny, field executive, both from Riverside; John Schnepfer, Jack Maddox, Chester Sproule, Ed Sahanker, Frank Partridge, Harry Hill, Claude Chapin, Carl Lykken, M. Scott Thompson, Maynard Groth, Harry Harper, D. N. Biviere, Jacques Crommelin and Frank Wintererton.

Villager Does Just That and Two Museums, Thousands of Miles Apart, Will Benefit

Two museums, thousands of miles apart, each are going to be presented with an ancient Indian relic, thanks to Sol Lesser, motion picture producer and Village home owner.

The presentation of an Indian pipe-of-peace to the Copenhagen, Denmark museum and the Palm Springs museum followed a request by Jean Hersholt that Lesser assist him in seeking out Indian relics for the museum in Copenhagen. Hersholt told the producer that Denmark felt that the addition of American aboriginal relics in that country was something that had been forgotten and that he had

Hope Kids Village at Shrine Show

All Nation Hears of His Appointment in Legion Hall Broadcast

Construction fund of the Shriners' new unit of the proposed Los Angeles Crippled Children's hospital is \$4320 richer, thanks to Bob Hope with his Tuesday NBC national radio show and John Archibald, Shriner and co-owner of the Palm Springs Drug and Import. The Wars Memorial building auditorium was packed to overflowing Tuesday night with 99½ percent of the audience contributors of \$10 or more to the building fund. The other half of one-half per cent consisted of the working press assigned to cover the show.

BOB HOPE, declared by most everybody present and later by those who listened at home, as having put on the best show in a long time, paid a glowing tribute to Archibald's efforts in making the event a success and personally bought 15 tickets for 15 of his friends donating a total of \$150 to the Shriner's construction fund.

Newspapers and picture and press services throughout the country carried the story of Hope's inauguration as the honorary mayor of the town around which the entire Tuesday night program was centered.

THE SHOW that followed the broadcast held the crowd convulsed with laughter for more than an hour.

All of the money collected as donations for admission to the show, the first radio broadcast to emanate from the new War Memorial building, was donated without deductions to the Shriner's building fund.

THE COST OF HIRING the hall from the Legion and transmission charges of the show to Los Angeles' NBC station were personally paid by Village Shriners who ably assisted Archibald in putting the show "over."

Many others helped in tying the loose end of the ultimate Tuesday night success together. The Junior Chamber of Commerce originated the idea of offering the famed comedian Hope the honorary mayoralty. Earl O'Day, in charge of publicity for the senior chamber, did an admirable job, in the opinion of both the Chamber and the local Shriners.

IN ADDITION it was O'Day who obtained the services of the high school majorettes for beauty and picture background. They were: Mabel Potter, Lois Wrathall, Sonya Hulme, Marleen Watlet, Arlene Southworth, Shirley Mizsak, Ella Ruth Brown and Jerry Lou Davis.

George Rasmussen trucked his horse, King, into town for pictures and Keith Herbert of the Casa del Sol allowed the use of

Village May Be Without Electricity

Negotiations Under Way Today; Walk-Out Scheduled Tuesday

Between 400 and 500 production workers of the California Electric Power company serving this area and others in southern California are scheduled to go out on strike February 3 at 11 a.m., if last minute negotiations between the utility company and union officials underway in Riverside break down.

Francis F. Crocker, superintendent of the Palm Springs district, announced yesterday that the company will use every available means to render continued service to its customers with supervisory personnel.

THE UNIONS are asking for a 15 per cent increase in wages against an offered increase of two and one-half per cent, the prevailing scale paid by other utilities in the state.

The following statement was issued by Crocker:

"The company will resist the wage demands of the union which would put a 10 to 12 per cent increase in wages above those paid by other utilities in the state. We will resist the demand for a union shop without a vote which is illegal under the Taft-Hartley act. We believe it is to the best interests of its customers and the territory to hold existing wage schedules in line with similar jobs in the state."

Old Fashioned "Necktie" Party Lures Big Crowd

The most popular spot in town Tuesday night was the Hitching Post.

The sign on its front doors could very well have read: "No Standing Room." The place was packed with Villagers and winter guests, some of whom figuratively hung on the rafters.

The attraction there was the featured and highly exploited old fashioned Western "necktie" party to which was added the surprise appearance of Bob Hope and Jerry Calona who performed for the crowd of patrons.

The Three Loose Screws contributed considerably to the entertainment and the genius behind the entire affair was none other than Conky Conkwright.

Prof. T. D. A. Cockerell Dies at San Diego

Professor T.D.A. Cockerell, who will be remembered by all Desert Museum members and patrons during his war-time tenure of office as director of the local institution, died at San Diego last week, according to word to friends here.

He was 80 at the time of his death.

He was internationally known in every field of biology but especially known as an authority in entomology. He taught at the University of Colorado and was professor emeritus at the time of his death.

Prof. Cockerell served at the museum during the interim when Sam Hinton went to war and before Director Lloyd Mason Smith returned.

Both he and Mrs. Cockerell who survives him, were well known in the Village.

Real Ice

And in Palm Springs, Too, Says Woman

"Send a camera man quick. . . I got ice on my bushes!" So an excited woman called yesterday morning—but by the time the camera man got there, the ice had melted.

But she wasn't alone, Palm Springs established something of a record this week when the coldest mornings since marks have been kept, were registered. The official thermometer hit a low of 25 Wednesday morning and a low of 26 Thursday morning. These were in keeping with low marks throughout the southland hit by the coldest wave in 70 years.

Maximums were in the 60s except for Tuesday when the top was 54.

Tale of Village Events Outlined At JCC Meet

"What's cooking in Palm Springs?" was the subject of Wednesday night's Junior Chamber of Commerce supper meeting at the Del Tahquitz Hotel. A panel of four speakers presented news of activities, projects, and problems which are affecting the entire community right now.

The speakers, introduced by J. C. C. Secretary Don Holdeman, were Harry Harper, Reed Hubbell, Frank Bogert and Whit Dunning. Harper represented Desert Circus Week head Bill Grant, and outlined the schedule of events for that week in March. The Junior Chamber is handling the largest money-raising project of the Circus, the car raffle, and will take on other duties.

REED HUBBELL, chairman of the citizen's parking problem committee, outlined problems facing the downtown businesses, and asked for aid in plans to alleviate traffic and parking bottlenecks.

Frank Bogert, manager of Thunderbird Ranch, described the importance of the Palm Springs Rodeo, upcoming February 7 and 8, to desert residents, and received J.C.C. pledges of publicity support for the tourist-entertaining and citizenry's event.

Whit Dunning, director of the Teen Target in Palm Springs, outlined Youth Center problems and possibilities in Palm Springs, pointing out the necessity of more fund-raising activities to make complete facilities available for teen-agers. He also stressed several aids the J.C.C. members could supply.

Chest Still Not at Half Way Point

Work of Many Civic Organizations Faces Serious Curtailment

Although the deadline in the Community Campaign has been extended from Jan. 31 to Feb. 14, the Chest drive was still lagging dangerously with the work of six major agencies and the Community Hospital threatened by lack of interest and donations.

As of Thursday noon \$22,700, less than half of the \$55,000 goal, has been collected. Activities of the Welfare and Friendly Aid, Boy's Club, Girl and Boy Scouts, The Youth Center, Community Hospital and its free clinic and the Desert Museum, were threatened as a result.

Many of the team workers have renewed their pleas for donations in residential districts of the city in hope of swelling the total before the new deadline, February 14.

A guest at the Desert Inn, after reading in the Desert Sun of the lagging interest in the Community Chest, called headquarters of the campaign and asked if they could use \$100. The answer was a thankful "Yes" with a capital Y and elicited the declaration from Carl Lykken, one of the Chest executives, that his example could well be followed by others wintering here.

It's against the California penal code to pick Smoke trees on the desert.

Lack of this knowledge caused James A. Vigil, 2318 Daly street, Raymond Garcia and Thomas Gonzales, Los Angeles, to be hauled before Chief of Police August Kettmann for a severe lecture and the threat of prosecution if they persisted.

They informed the Chief they were employed by a Los Angeles nurseryman.

The PUBLISHER'S
by OLIVER B. JAYNES *Kotner*

DEAR OUT-OF-TOWN SUBSCRIBERS:

Just thought we would drop this line to our more than two thousand subscribers in other parts of the country to sum up for you what's doing in Palm Springs these days.

You missed something if you didn't hear Bob Hope's broadcast from the new American Legion Hall here this week. Some 430 people packed the place at ten dollars a seat to see the Honorary Mayor and his Peppercorn cast put on a good show. John Archibald arranged the affair as a Shrine benefit.

We have a lot of slick new places here, like Normandy Village, Rossmore and Wonder Palms. . . many other smaller but very attractive bungalow hotels and apartments. While we come in for a lot of jokes about prices, you don't have to splurge unless you want to. . . there are lots of very reasonable-priced accommodations. We've heard rumors that there isn't a chance to get a place to stay—and that the Village is deserted. Neither are true. We have a good crowd of visitors this season but you CAN get a place to stay. So come on down for a visit.

The breakfast rides are quite popular this year. . . the night clubs have some good entertainers. . . the Desert Museum is putting on very interesting programs. . . and the weather's fine. There have been many fine days for swimming this winter (Florida readers please note).

Real estate activity continues to be brisk and new homes are going up all over the place. There is an amazing development called Palm Desert about 12 miles out on the Indio road. You should see it. As a matter of fact—you would be astounded to see the development all along Highway 111 clear to Indio. Palm Desert's Shadow Mountain club is going to be one of the show places of the desert area. Rancho Mirage and Palm Village are continuing to grow rapidly. The Tramway seems to be about a year away but it is definitely in prospect. There is talk about many civic improvements in Palm Springs. Businessmen, property owners and investors are looking into the future. Most of them seem to be confident that this Palm Springs desert area will continue to develop and prosper.

The All American canal will turn nearby Coachella Valley into a vast agricultural region and the two developments will eventually convert the desert into a great agricultural and resort empire, representing an investment of millions and millions of dollars.

So please come and see us soon. We can just about promise you that you'll be glad to see us.

Sincerely yours,
OLIVER JAYNES

P. S. Don't forget DESERT CIRCUS WEEK—March 10th to 14th.

JOYA and JAYNO Tell All

Many Villagers turned out for Bob Hope's benefit broadcast for the Los Angeles Unit of the Shriners' Crippled Children's League and many thanks go to Mr. Hope and his entire cast for the wonderful program that they put on, and to Johnny Archibald for all the work that he did in organizing the superb performance for a very worthy cause . . .

Dropping in after the show at Mr. Dee's were Mr. and Mrs. R. F. (Phat) Graettinger, making one of their rare public appearances, with Mr. and Mrs. Bill Rashall to hear the new entertainer, Fay Thomas, "Harlem's Musical Maniac," who alternates with Kenny Simms to bring continuous musical entertainment to Dee's diners . . . At a table across the room were Mrs. Dorothy Bailey, her very attractive daughter, Keta, and Jack Boyer.

Mr. and Mrs. Jimmy Stokes are in the Village playing a great deal of tennis at the Racquet Club . . . They were, that is, until Jimmy broke his foot while WALKING across the court . . . At the Wonder Palm are Mr. and Mrs. Sol Blum and Mr. and Mrs. Tedd Mann of Beverly Hills, for one of their many visits to the desert . . . Mr. and Mrs. Russell Garner inspecting the progress being made on their new Desert Palms Estate home . . . Mr. and Mrs. Skinnay Ennis dining at the Tennis Club on Monday night with Mr. and Mrs. Shelton MacHenry . . . At a nearby table Mr. and Mrs. Donald Budge (yes, we do mean the tennis player) . . . Marie Belyea and Leona Imams . . . Mrs. Eleanor Larabee with Mrs. John Costello . . . Judge and Mrs. Eugene Theriaue . . . Mr. and Mrs. Howard Burdick and Mr. and Mrs. Gene Meredith enjoying the specialty of the house, the Sunday buffet luncheon as were Mr. and Mrs. Don Manchester . . .

Mr. and Mrs. Dibble Summers of Northridge were in the Vil-

lage recently enjoying a visit with their good friends Muriel Fulton . . . Gwen and Gene Bari are back at the Desert Inn to entertain with violin and piano music during the luncheon and dinner hours . . . Mr. and Mrs. Earle C. Anthony driving about in their white convertible. She is just out of bed after more than a three week illness . . . To be here this week-end looking over properties are William Michaeljohn, Paramount executive, Harold Rose, actor's agent, and James Craig, actor . . . Here and there about town are Mr. and Mrs. William Sherry (Bette Davis) who have rented a home here . . .

It was wonderful to see such a crowd in Don Manchester's Bombay for their formal opening Wednesday night and with so much music and activity going on every minute . . . Among those enjoying the festive party were Mr. and Mrs. Jack Holditch, Mr. and Mrs. Leo Baker, Mr. and Mrs. Hubert Mulvey of Long Beach (he's the chief investigator for the state's attorney and the one that investigated the Overell case), Mayor and Mrs. Hyde, and many, many others . . .

Mr. and Mrs. Curtis L. Mick, chief production executive of Paramount Studios Inc. are the houseguests of Mr. and Mrs. A. Ronald Button in their luxurious Rancho Mirage home . . . The top-flight Warner Bros. executive, Edmund North is vacationing with his wife in their lovely Rancho Mirage home. They have as their guests Mrs. Peggy Wilson of Los Angeles . . .

Music Will Prevail At Woman's Club

The Palm Springs Woman's Club will meet Monday afternoon, Feb. 2nd at 2:30 with Mrs. Harold Murphy, president, presiding.

A delightful musical program will be presented by William Matcham, well-known concert and radio baritone and Sumner Prindle, pianist.

Tea hostesses for the afternoon will be Mes. Harold Hicks, Arthur Bailey, James B. Oliver, Eugene Theriaue, Newton Hotchkiss, L. C. Newcomer and P. A. Staley. Decorations are in charge of Mrs. F. A. Purcell and Mrs. F. C. Ingram.

Ray and Thelma Schisler and five children are moving this week to Santa Rosa. They have lived in and around Palm Springs for the past 20 years.

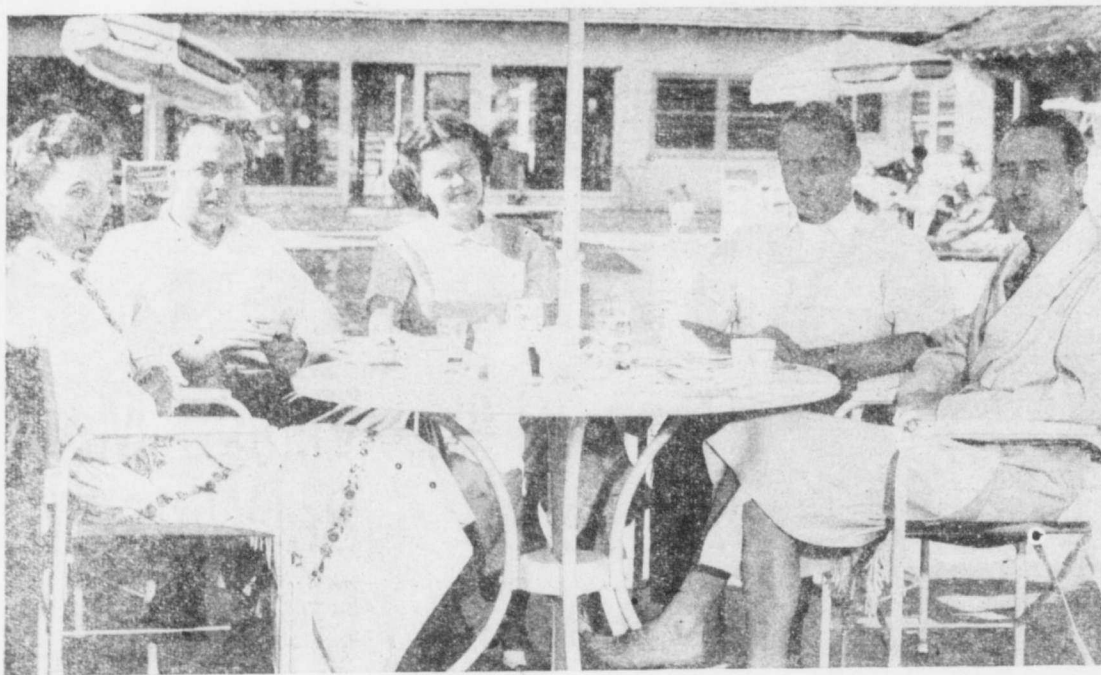

Rudy Vallee Is Dinner Host At Tennis Club

Rudy Vallee who has recently returned from a successful engagement at Miami's Beachcomber Club, co-hosted a dinner party with Dr. and Mrs. Joseph A. D'Alessio at the Tennis Club, Saturday evening. The guests were Mary Ann Nyberg, artist who has been invited to give a one person show at the American Art Galleries; Mr. and Mrs. Bruce Eccles, radio representative for Republic, Inc.; the British socialite, Miss Lee Anderson and her escort, Jean Louis, designer for the Columbia studios; Mr. and Mrs. Ralph French (French Camera Firms); and Joseph Von Runkle.

During the evening, Tennis Club goers were entertained by Mr. Vallee who sang several of the songs which brought him rave reviews from Miami critics.

Airline Head Enjoys Rest At Local Spa

The president of the Slick Airways, one of United States' largest freight airlines, Earl F. Slick, recently was vacationing at the Normandy Village with his attractive young wife. The couple were here with Mr. and Mrs. W. R. Moreland, public relations consul for the Slick Airways, of Beverly Hills.

The foursome was flown to Palm Springs by Jack Davis, private pilot for Mr. Slick who flies him on all his business trips and between his two homes, one in San Antonio, Tex. and the other in Greenwich, Conn. The party spent most of their time relaxing in the sunshine but spent one evening at the Doll House which they said they enjoyed very much, especially hearing the music of Felix and Leo.

Visitors Entertained At Alcalay Home

Mrs. Jenn Alcalay and her daughter Lorraine Harper entertained Mr. and Mrs. Morrie Nolan of Santa Monica and Mrs. Alice Grossman of Hollywood at their home over the weekend.

Social Notes

Now stopping in Palm Springs on their tour of California's warm winter resorts are Mr. and Mrs. Charles Colby Reckitt of Geneva, Ill. One of the couple's recent side-trips from the Village took them to Borrego Springs where they are the owners of a large estate. Mr. Reckitt is the retired president of Turner Brass Works in Geneva.

Mr. and Mrs. Kenneth Colborn welcomed Mr. and Mrs. Robert Hinson of Laurel, Miss., into their home this week, friends of theirs whom they haven't seen in over seven years.

Returning for another season in Palm Springs are Mr. and Mrs. E. P. Schwartz of Des Moines, Iowa, and Mr. A. C. Thompson of Bellevue, Wash., who are residing at the Desert House.

Mrs. Fletcher Bowron, wife of the mayor of Los Angeles, is vacationing in the Village at the Palm Highlands Inn with two friends of hers from Canada, Mrs. Dewitt L. Reaburn and Mrs. U. N. Cook.

Another leading department store owner from Dallas, Texas, visiting in the Village now, is Mr. A. L. Kramer, Jr. of A. Harris and Co. who is at La Paz with his wife.

Mrs. M. E. Van Sant of Beverly Hills is here for an indefinite length of time, and can usually be found lounging around the pool of the Desert Retreat.

Week-ending at Lenora Apts. recently were Vick Knight, script writer for Eddie Cantor; Selma K. Ellner, criminal attorney of Los Angeles; and scriptwriters N. Gayle Gitterman, and Richard Landau, son of Arthur Landau, producer.

Miss Frances Thubois is spending a lengthy winter vacation on the desert in the home of her sister and brother-in-law, Mr. and Mrs. William Tabot.

Mr. Stanley Marcus of Dallas, Texas, part-owner of one of America's most fashionable clothing stores, Neiman-Marcus, is at Hotel La Quinta with his wife.

Shinner Hosts To Friends at Cocktail Party

Mr. and Mrs. William Shinner of Hermosa Beach, entertained a small group of their Village friends for cocktails on Monday evening in the home of Mrs. Shinner's mother, Mrs. Alice Gutherie, with whom the couple have been visiting.

Their guests were Mr. and Mrs. Harold Hicks, Mr. and Mrs. Barney Hinkle, Dr. and Mrs. Frank Purcell, Mrs. Jack Gorham, Bob McKensie, and Frances Pratt.

Brings Mother Back With Her From England

Mrs. W. H. Park has just returned to Palm Springs from London, England, where she went to bring her mother, Mrs. Adi Stewart le Gall to the United States to stay. Her mother's Sealyham dog, her constant companion all through the London blitz, accompanied them back.

Mrs. Park, formerly Ethel Stewart, in musical comedy and the films with Jack Buchanan, English star, has just opened their new home at 401 Via Colusa.

The rug salesmen are cleaning up these days with every one buying a prayer rug to pray for rain. Or is that the way these Indian rainmakers do it?

Come rain or shine the Palm House is really packing in the capacity crowds these nights. Artie Wayne's singing is definitely an attraction although he complains that Virus X has done crept up on him and has been spending a good deal of time under a sun lamp over at Mitt Hick's hacienda. Mary and Phil Delano and Esther and Tex Driscoll dropped in there the other night following the Desert Riders moonlight dinner and Roy Randolph saw that Phil became one of the contestants in the dance contest.

Here and there about town: Holly Lash Visel putting in much time over at the Legion Hall working up dances and choruses for the Auxiliary Carnival coming up on the seventh. Should be worth seeing as none of the chorines weigh less than two hundred pounds. Ruth Valeur taking young G. M. (Gerald Mitchell not General Motors) for a stroll in his buggy on the boulevard. Roma Marvin and her sister Dottie doing the Tennis Club and the Doll House. Also at the Doll House, Adelaide Dunlevie with a party of friends and Leo Fields. Making up a party of four for luncheon at the Racquet Club, Gwenn Hickson, Mary Jane Hicks, Caroline Hicks and Dottie Gorham.

Whipping from one end of the town to the other to take in the entertainment at the Racquet Club and the Palm House, Barbara Hinkle, Dottie and Jack Gorham, Janet (Mrs. Artie) Wayne and Milt Hicks. Back in town, and mighty glad to be here she says, is Mary McKieghan who's been hibernating in Red-

wood City for the past year. Mary has joined the crew down at Desert Circus headquarters but says the best part about being back in Palm Springs is to get in the saddle again. T'was fun joining old friends on the Los Compadres moonlight ride Sunday night and riding out toward Andreas Canyon. It sure seems good to see the Field Club fence getting a paint job. Gives the place a new lease of life. Helen Chambers is back at the old homestead after spending a week with her family in Vista and helping to bring her mother through a virus attack.

Caroline and Harold Hicks dining with her parents the Humphrey-Birges at the Desert Inn where the Birges are staying this winter. Betty and Tom Kiely still picking cactus out of their legs from being under the right window at the wrong time.

Coffee clubs are gaining popularity around town. An early session meets at Gordon's about seven thirty a.m. Regular attendees are Johnny Connell, Homer Jenkins and Earl Hough. Around nine thirty in the morning at the Village Pharmacy counter you can usually count on seeing Ken DuBose or Francis Crocker. There's a strong branch established up the El Paseo way too.

Coming events cast their shadows: Big rodeo week end over the seventh and eighth of February. The annual High School opera will be presented at the Plaza Theatre on the sixth of February. This year's selection is Rio Rico with Alex Hammond directing the show.

Choral Conductors and Organists From Two Counties Entertained At Dinner and Musical Program

Last week Lois Lux and Holly Lash Visel were co-hostesses to the Choral Conductors and Organists Guilds of Riverside and San Bernardino counties. Dining at the Desert Inn were fifty-five guests, most of whom were organists, directors or musicals, holding positions in various churches throughout the neighboring counties. Small packets of dates with musical notes in the form of a greeting were at each place as favors. Amusing songs written for the occasion by Mrs.

Lux and Mrs. Visel, were sung during the dinner. From the Inn all progressed to the Community church where a fine program had been arranged. The younger choirs consisting of the Blue Nightingales and the Junior Chorists fully robed, sang together with a special group of singers from the adult choir of the Community church. These numbers were especially enjoyed by those present and received much favorable

Museum Notes

LLOYD MASON SMITH

The new museum schedule for the months of February and March has just been issued and has already been mailed to all active members. Additional copies can be obtained by mail or in person. The color for this issue is either yellow or pink; they are both the same bulletin. There are two corrections which should be noted in this bulletin, which occurred after it had gone to press. If you have a copy it would be wise to make these corrections directly upon it: First, the War Orientation film "The Battle of Russia," which was scheduled for Thursday, February 26th, is not obtainable now and in its place we will be showing "The True Glory," which is General Eisenhower's report on the Battle of Europe. This film was scheduled for March 25th, and in its place a new orientation film on the history of the Southwest Pacific Campaign, called "Appointment in Tokyo," has been scheduled and will be shown on that night, March 25th, Thursday. The second correction is that Tad Nichols of Tucson, who was scheduled to present his wonderful volcano film, "Paracutin—Birth of a Mexican Volcano" on Thursday, March 4th, will instead present it on February 12th, Thursday, in addition to the orientation film, "The Battle of Britain," which will be shown. Since this is a long program the "Battle of Britain" will be shown at 7 o'clock and Mr. Nichols' film will be presented at 8; both open to the public without charge. The guest lecturer in place of Mr. Nichols for March 4th will be announced next week.

IN ADDITION to the regular schedule of events one additional program has been arranged for the night of Sunday, February 8, at 8 o'clock, open to the public without charge. This is a beautiful sound color movie entitled "Voyage of Volita," taken by Sherman R. Woodfall, now of this city but formerly from Rockport, Massachusetts. This remarkable color film pictorially takes you on a 14,000-mile cruise through the South Seas by way of the West Indies and the Panama Canal. The Volita is a small yacht on which the trip was made by young Sherman Woodfall and his brother Russ. In 1938, Russ was killed during the war. The trip took six months.

Tonight's film classic stars Gary Cooper and Francot Tene in the famous film of India's Kyber Pass, "Lives of a Bengal Lancer." Members only.

Tomorrow's field trip will be an auto-cavey to Pipes canyon. Leave the museum at 10 a.m., return about 5. Little walking is involved about 80 miles round-trip driving. Joshua Trees and a lava flow will be seen.

TOMORROW NIGHT'S guest lecturer will be Frank R. Givens, custodian of Joshua Tree National Monument. Included will be the first color movies ever taken of the rugged Coconino mountains. Open to the public

Rancho Carrillo Opens at Indio

Mexican food ala-supreme was being served last night at the new Rancho Carrillo on Monroe street in Indio with Jess Carrillo owner and former operator of the El Charro, in charge.

The grand opening which took place last night saw a floor show take place every two hours with favors passed out to women patrons. Frank Walterstein and his orchestra furnished the music.

Masonic Club Hears Interesting Talks

Members of the Palm Springs Masonic Luncheon Club met Tuesday noon during their weekly luncheon-meetings presided over by Jerry Sanborn and heard Langdon Gorce, past potentate of the Al Bahr Temple and the Reverend Dr. K. A. Carlson speak.

comment from the experienced musicians who heard them. Following the singers, D'Esta Williams, local harpist, displayed her unusual talent and knowledge in the numbers which she played. She was applauded with great enthusiasm by her fellow musicians.

Mrs. Lois Lux then introduced Dr. John Robertson Macartney who was the speaker of the evening. His talk was mirth provoking as well as profound, as he recalled the experiences he had had with musicians during his fifty-one years of ministry. Everyone was greatly touched and moved by his intimate portrayal of the musicians he had known and the reciting of a poem concerning the power of music, which closed his address.

without charge, 8 p.m. Next Tuesday the films will be: "Nature's Songsters," "Air Maps," "People of Western China," and "Coffee." Open to the public, no charge, 8 p.m.

The Desert House seems to be a popular hostelry among North-westerners for among its current arrivals are Mr. and Mrs. Stanley Scott, Mrs. Mary Brygger, and Mr. and Mrs. Elmer Edwards

- CHURCHES -

Episcopal Church Sunday School to Be in Use Sunday

The new Sunday school building of St. Paul's in the Desert, Episcopal church, will be used for the first time this Sunday at the 9:45 a.m. service.

Each of the eight classes will have a soundproof room with perfect lighting, heating and ventilation. Cement walks will be laid between the Sunday school and the church and at the north property line on El Alameda.

Holy Communion will be celebrated twice Sunday, at 8 a.m. and 11 a.m. The sermon at the 11 a.m. service will be "The Mystical Body of Christ."

The Rev. Robert M. Hogarth, rector, announced that confirmation instruction will be given Sunday night at 6 for high school age students; Tuesday at 7:30 p.m. for adults and Wednesday afternoon at 4 for those of the junior age.

Choir rehearsals are on Thursdays, the juniors at 3:30 p.m., Parish choir at 7:30 p.m. Mrs. Alexander Hammond is the director.

Rev. Hogarth, with Frank W. Camp and Raymond R. Wilson, lay delegates attended the 53rd annual convention of the Diocese of Los Angeles at St. Paul's Cathedral Wednesday and Thursday.

As early as 1523, the movement to build a canal across the Isthmus of Panama was initiated by Charles V of Spain. It was not until four centuries later, however, that the canal was completed.

ON PROGRAM—Ralph Edward Platt who will appear in a special program at Community church Sunday evening.

Unusual Service At Community Church Sunday

A service of unusual interest has been arranged at Community church next Sunday evening at 7:30 o'clock when Miss Josephine Peterson, founder and director of "Best Seller Publicity," will show, in colored motion pictures, Warner Sellman painting his masterpiece, "The Head of Christ."

Joining with Miss Peterson in this service will be Charles Turner, radio singer who is heard on his own coast to coast CBS program as well as the "Haven of Rest" program each day.

Ralph Edward Platt, a whistler of unique ability, will also be heard on the program. He has been heard on many "Youth for Christ" rallies throughout the country.

Californians Lead In Annual Census Taken at Church

The Native Sons and Daughters have come into their own. No longer can Iowa, Pennsylvania, Ohio or other midwestern states claim the most natives.

At the annual geographical census, taken each January at Community church, native Californians topped the list by a wide margin over natives of any other state.

IN THE CONGREGATION last Sunday 63 stood up when the name of California was called. Illinois, with 44, was second, the influence of Chicago and its suburbs, and Iowa was third with 30. Missouri and Ohio were neck and neck with 24 and 22 and Pennsylvania had 16 natives present.

In all, 38 states were represented in the count and 13 lands outside of the United States.

OTHER STATES listed in the census were Michigan, 15; New York, 12; Minnesota and Nebraska, 10; Texas, Kansas and Wisconsin, 9; Indiana and Washington, 8; South Dakota, 7; Colorado, Oregon, 6; North Dakota, 5; Utah, West Virginia, Kentucky, Oklahoma, 4; Massachusetts, New Jersey, Florida, Arkansas, 3; Idaho, Mississippi, 2; Maine, Vermont, Connecticut, Maryland, Georgia, Alabama, Tennessee, New Mexico, Arizona, 1 each.

CANADA, with 10, topped the foreign lands and Britain, with 9, was second.

The geographical count is taken each year in January when the sources of the church congregation are sought.

Next Sunday a denominational survey, also an annual census, will be taken at Community church.

Composer Sings Own Songs at Church Program

Grace Bush, composer, author and poet, was the featured artist on the program of the Women's Circle of Community church in meeting Tuesday night.

Mrs. Bush presented an interesting talk on early music, a synopsis of the lives of noted composers and of the inspirations for their more famous songs.

She played and sang a number of her songs of which she has written 165, the audience joining in the singing. Mrs. Violet Fowler sang two solos, both of which were the works of Mrs. Bush. Mrs. Bush, besides her songs, has authored three books and her "The Miracle" won for her the League of American Penwomen's first prize. She is a member of the League of the National Association of Composers and Conductors.

Preceding the recital, members of the Circle and their guests gathered at the monthly dinner and heard a discussion by the Rev. James H. Blackstone Jr. on plans for an enlarged church home.

Rev. Blackstone, an accomplished soloist, was also heard in a number on the musical program.

St. Paul's Guild Meets Tuesday At Camp Home

Episcopal Guild of St. Paul's in the Desert will meet Tuesday, Feb. 3, at the home of Mrs. Frank Camp, 776 Mission road, with Mrs. Edward H. Maggard as co-hostess.

The meeting will be at 11 a.m. with a box luncheon followed by an afternoon of sewing.

The Guild will be host at the annual Shrove Tuesday SSilver Tea on February 10 at the home of Mr. and Mrs. Fred S. Markham, Smoke Tree ranch, from 3 to 5:30 p.m. A musical program, arranged by Wynne Davis Hammond, will be presented.

All friends of the church, villagers and visitors, are invited.

Church Census Will Be Taken Sunday Morning

The Sacrament of the Lord's Supper will be observed at the morning service at the Community church Sunday at the 11 a.m. service and new members will be received into the church.

The annual census of the congregation to determine the number of denominations represented will be taken Sunday.

Two Young People's societies will meet at 6:30 p.m. and at the 7 o'clock service, an unusual program and picture will be presented by Miss Josephine Peterson.

Progress on Opera "Rio Rico" is Rapid Report of Lester

"Rio Rico", the operetta which is being presented by students of the Palm Springs High School, February 6, at the Plaza Theatre, is moving along quite well, according to Andrew Lester, faculty member in charge of scenery and setting up the stage equipment, and Mr. Hammond, in charge of the actual play, scripts, and actors.

Mr. Lester and his stagecraft classes have devoted much of their time to make the settings out of plywood, and his art classes have been sketching and painting the different scenes necessary for the operetta.

The story takes place on a tropical island where a professor and his party are searching for a treasure, believed to have been buried by some pirates, years before. While on the island, searching for the treasure, many strange things happen to this group, especially when the ghosts of the pirates come back to haunt their treasure.

Faculty Poses For Pictures to Go Into Chia

The faculty of Palm Springs High School met at 3:45 on January 14. A group picture for the yearbook, Chia, was snapped by photographers Jim Carlin and Dan DuBose.

A discussion period followed, with the following subjects on the agenda: Rehearsals for the operetta, "Rio Rico"; library service; final exam schedules; and the coming Public Forum meetings.

The meeting was adjourned at 5:00 p.m.

Operetta Ticket Sale Under Way In Village Today

"Tickets for the Palm Springs High School operetta, 'Rio Rico', are going to be on sale in front of the Plaza Theatre this week and next," Nona Lake announces. The one night performance is Friday, February 6.

An advance sale to faculty and cast was held Tuesday at the school.

All tickets are reserved. Prices range from \$1.00 to \$1.50.

Pirates, Mermaids, Hula Dancers, All To Be Seen Feb. 8

By CONI TILGMAN

Swashbuckling pirates, curvaceous mermaids and hula girls, and dancing skeletons—all are to be seen February 6 at the Plaza Theatre when the Palm Springs High School presents "RIO RICO", at 8:00 p.m.

South Sea Island sets are nearing completion under the direction of Mr. Andrew Lester and Mr. Collins. Graceful palms with fluorescent hula girls swaying "neath them will no doubt attract much attention. Wynne Hammond tells me that it will be done with lights, not mirrors. Of course, I also hear tell that real honest-to-goodness mermaids will accentuate the glamor aspect.

Corky Hammond has been the comedy sensation at rehearsals. He will be remembered for his performance of the old sea-dog in last year's operetta. This year he will be one of the highlights of the operetta as the inventive Professor Molecule.

The mystery surrounding the island is brought into sight by the dancing skeletons. All that will be seen will be dancing bones dancing about on the darkened stage. It may be dark, but it is still done with lights, believe it or not.

"Dance, ballerina, dance," should be the theme as four of the strongest and brawniest of the Indians' football players flit on to the stage in ruffled ballerina costumes. The cause of this is the whim of "Julia," Betty Wright, to make gentlemen out of a few minuetters.

"RIO RICO" is going to have many comic scenes of different varieties, but I don't want to give the best parts away. So, we'll just say, "Don't miss RIO RICO."

The famous coffee houses of London sold more tea than any other beverage.

Book Report for January Reveals Youth's Selection

"Stars In My Crown" by Joe David Brown, is the January selection of the Young People's Division of the Literary Guild. It is the gentle, humorous story of a Southern parson seen through the worshipful eyes of his small grandson. The book is really a series of character sketches rather than a novel. It tells the story of Aunt Pim, whose true love stuck his sword in an oak sapling and rode away to fight the Yankees, leaving her with only the oak tree and her memories; Uncle Famous, the old ex-slave who taught all the little boys of the town how to fish; Crazy Ella, who thought there was a baby in her carriage she had pushed through the streets for twenty years; Old Man Ispell, who told the parson he'd come to church "Jes as soon as you can git God to plow the bottom land for me"; and Young Doc, educated in Vienna, who hated the parson and had no use for religion. All these stories, and the story of Grandpa himself are told with sympathy, understanding, and the homely wit that people remember Will Rogers for. As Grandpa himself said, "Some writers can look at poverty and see only the wretched details. They forget that poor people can also be happy. They examine love and see it as something of the flesh. They go out of their way to show that a man in love can be an animal... If you write, never forget that life can be as sweet as it is bitter... take Ella Wiley as an example. Some writers would see her as a poor, twisted soul. Yes,—an' take your Aunt Pim. They wouldn't have the depth to see something good in her deceit."

The author seems to have followed Grandpa's advice; he is kind to all his characters, and the book is a homely sermon in the art of living. Sometimes the cornbread and sorghum-style spelling with which the author attempts to convey Southern accents may irritate Southerners a bit. (Samples: "Ain't none o' mah business, jest curious" "Ah reckon yo' Grandpa ain't made of that kinda stuff.") We Southerners don't need to have "I" spelled "Ah" for us—we jest nacherally say it thataway, anyhow! However, the book as a whole is well done, and good reading.

Fads and Fashions

The old fashioned gals had nothing on our modern girls with Gibson girl blouses and big, full skirts as the latest on the fashion parade. Black stockings and flat heels complete the outfit.

Hooded coats with a flare in back are also fashionable. Gold shoes and matching belts dress up the plainest ensembles.

If you've noticed some of the males around the campus you'll see they have been wearing red and white satin jackets. And in the last week the fellas have been handing over their new '48 pins to their girls.

The latest style with sweaters and blouses is a brightly colored scarf tied in many different ways.

As time goes on fashions change, and number one on every girl's list is to keep up with the times.

Happy Birthday!

Horse-ing Around

With DARRYL ZANUCK

The job of being a movie producer very frequently requires preparation of gorgeous desert scenes. This is especially true when color is used. Thousands of dollars will often be spent in setting up stages and props necessary to produce the desired effect. Right here on the Palm Springs desert such scenes are a daily occurrence. Riding over the level desert floor or to one of the many canyons brings a person into direct contact with the wonders of nature that even the finest camera is unable to capture entirely.

The Palm Springs Stable Association has a fine group of guides to show the stranger the best trails to ride in order to more fully appreciate these natural beauties. Among other events, the Association sponsors a Tuesday luncheon ride and a Saturday morning breakfast ride. Any member of the Association will be pleased to answer all inquiries regarding these events and other paramount questions, such as individual instruction, hay rides, steak fries, etc.

Travel Hindered By High Wind

Travel between Palm Springs and Banning and points west was hampered Tuesday by one of the most severe winds of the winter which raged from the Pass area to the coast.

In some spots considerable damage was done by the gale. It was accompanied by a sharp drop in temperatures which added smudge smoke to the hazard of sand along the highways.

Centennial Issue
Sale Is Restricted

Ever hear of rationing stamps? Well, they are. Down at the post office the sale of Coloma Gold discovery commemorative stamps is being restricted to so many per person so that all may have a chance to buy some.

"Our original supply received Tuesday was limited," said Postmaster R. M. Gorham, "so we rationed 'em to enable all to buy a few."

He will order more he said—and hopes to get them.

Elks Lodge On Way

Interested Group Meets at Palm House
To Set Ball Rolling; 100 Ready to Join

First step in the creation of a B. P. O. E. lodge in the Village took place at a luncheon held in the Palm House Monday at 12:30 p. m. with more than a dozen Palm Springs and visiting Elks present.

Charley Valentino, member of the local police department yesterday announced that these luncheons would continue and plans for the organization of the lodge discussed until its actual formation.

SPARKPLUGGING the creation of a lodge here, Valentino announced that more than 100 Villagers have professed a desire to become a member of such a local organization.

Applications will soon be distributed, Valentino said and further instructions from the parent lodge in the state is awaited.

AMONG THOSE PRESENT at the luncheon Monday noon were: W. W. Moore, past exalted ruler of Alhambra Lodge, 328; C. Ivan Hughes, member of Whittier Lodge, 1258; G. J. Coleman, Hilo, Hawaii Lodge, 759; S. L. Okerlund, Anacortes, Washington, 1294; August N. Nardoni, Huntington Park Lodge 1415; Roy Randolph, Santa Monica, 906; Elmer T. Peacock, Billings, Mont., 394; James A. Lovett, Las Vegas, 1468; Fred L. Ellison, Noblesville, Ind., James A. Hume and Budd Sarkis.

All Elks are invited to attend these luncheons, Valentino announced.

Fay Thomas Gives
Cafe Patrons a Thrill

If you have ever heard all that a piano with 88 keys can produce there's another surprising thrill due you.

Patrons who have been thronging to Mr. Dee's are of the opinion that nothing in the world can remain mute with Fay Thomas anywhere in the neighborhood.

She strokes the keys with her long fingers like any person would the back of a cat, and rhythm that takes hold plus boogie-woogie pours forth.

If you want to please your hearing sense with something that is at least new in Palm Springs, spend a few minutes listening to Fay Thomas. Your toes will curl.

Hotel is Planned By Santa Monican At Rancho Mirage

Rancho Mirage will soon be boasting about its first hotel.

Harry Holt, vice-president and general manager of the subdivision said that Milton C. Mauzy plans the construction of an eight-unit bungalow hotel in the center of Rancho Mirage on highway 111.

Mauzy who comes from Santa Monica and now makes his home at Rancho Mirage plans other construction there and will personally supervise the erection of the hotel.

Mauzy feels that Rancho Mirage is an integral part of the Palm Springs desert area and sees a bright future for the community as a world resort.

We must not run away from the compelling fact that we will get security only if we face up to it and equip ourselves in a moral and a practical sense to achieve it.—Maj. Gen. William J. Donovan, U. S. Army.

New Field Club Program is in Blueprint Stage

First meeting of the sub-committee charged with working out plans for the creation of the Field Club as a recreation and sports center, was held at the El Paseo Theater auditorium Monday evening.

The group, under the chairmanship of Hutch Moseley, met with City Planning Engineer Harry Woodward and outlined a tentative program of construction. Woodward is now preparing blueprints of the proposals.

When finished in about 30 days, Moseley said the blue prints will be submitted to the main Citizens' committee for approval and then presented to city council for action.

"The program as decided upon by the sub-committee is a big one," declared Moseley. "It will take a little time to work the priority importance of each feature."

Suggested were four tennis courts, one professional court, two softball diamonds, one hardball diamond, rodeo grounds, new bleachers, 96 box stalls, handball and badminton courts. Sub-committees present were: Frank Partridge, Gene Travis, Harold Lienau, Harriett Henderson, Eva Menard and Moseley.

An Evening at the Bombay

Good Food, Good Entertainment, Good Company Mark Formal Opening

"The Don Manchesters invite you to attend the awaited formal opening of the Bombay Wednesday evening." As you enter the door you are in an East Indian atmosphere complete with the Nabob and East Indian currie, you are greeted by your genial host and hostess, Mr. and Mrs. Don Manchester, and are provided with an evening complete with good food, good entertainment and good company.

Don Hornsby provides preliminary entertainment playing the piano in his inimitable style, Pat Barbara and his orchestra then play medleys of everybody's favorites, and Jeanne Keller sings and plays requests for the many Villagers that are present.

A fanfare, a spotlight, and your M.C. for the evening, Roy Randolph, steps forward to introduce to you the lovely contestants for "Miss Palm Springs" and the mayor of the Mexican colony and the contestants for the queen of the Mexican colony this year. And yet the evening has just started. Jules and West step forward to entertain you with music and a bit of uncanny mental telepathy, more music from all the talented artists present, gags by Honorary Mayor Bob Hope and Jerry Colonna, an introduction to the guests of honor Mayor and Mrs. Hyde and the mayor of India, Neil Flier, dance exhibitions by Roy Randolph and his assistants followed by a rumba contest. All this in one evening. An evening full of fun and festivity.

You say your goodbyes, thank the Manchesters, and wish them and the Bombay the very best for this season and all the seasons to come.

his swimming pool for picture shots.

Don Artz, president of the Junior Chamber, paid particular thanks to O'Day for his masterful handling of the pictures and the publicity that went from here throughout the country.

FOR THE SHOW itself, Connie Barlow of the Dunes did herself proud and brought the house down with her singing on Hope's broadcast. A sidelight to the show that brought tremendous laughs from the crowd was the commissioning of Jerry Colona as the honorary Chief of Police by Chief of Police August Kettmann who pinned a gold badge on Colona's chest during the show after the broadcast.

Rolly Vaile of the Junior Chamber ran his legs off gathering props for picture purposes, and Gavis and Herbert, druggists, supplied green water with which Hope was doused during one of the picture sequences.

PEOPLE ARE FUNNY

People who say that a large percentage of your Community Chest goes for overhead are greatly in error. The only expense incurred is paid out for supplies, stamps, and stenographic work, which items amount to less than one cent on your dollar. We pay no salaries to workers or officials, nor do we pay for advertising or rent. The three or four who head the campaign donate more than sufficient to cover this expense so your dollar goes one hundred percent to these different agencies.

Those unselfish workers who go from door to door furnish their own shoe leather and gas, and besides, donate generously to the Chest. They give you the opportunity and privilege to keep your community as fine as it now is. How better could you invest your money than build character for our future citizens? You need not look at our Girl or Boy Scouts to give you a warm and confident feeling for the future as well as avoiding all the pitfalls of the present for them and ourselves.

There are those who say they give elsewhere BUT you live here now! Let us suppose there is an accident between here and Cathedral City—and there are many such—the next one might be you. If we should find it necessary to close the hospital for lack of funds, you would have to be transported 40 or 50 miles to reach another hospital and by that time you possibly might not live long enough to be sorry. Now think seriously.

Give generously to the Community Chest.

This Side of Sun ...

which means that she just made eight records.

THIS DRY SPELL reminds me of one back in the 20s ... Three dry years in a row and in the last, all electric signs in the southland were ordered out because there wasn't enough water to generate the electricity for them ... If that order goes through again, Palm Springs Canyon drive will be dark ... All our street lights here are Neons ... That year we had a larruping rain in March ... So if this is history repeating itself, shake out the rain coats and umbrellas along about March 25 ... Looks like there aren't going to be many wild flowers this spring ... The almond blossoms around Banning and Beaumont were a month ahead of time ... Wonder if the current cold snap is going to curtail the candy bar crop.

COMES A NOTE this week:

"Here's a suggestion to get your junk moving," it read. "You always say those little couplets overcome the inertia of a blank page and get you moving. So, since so many people are leaving it up to someone else to fill the Community Chest, how about: Don't say 'Leave it to George,' Dig down, Brother, disgorge. Well, maybe."

PALM SPRINGS used to have a slogan during fund drives: "Palm Springs has never failed." Unless it gets going in this chest drive there'll be an add to that line: "except this time." Lazy people who stick nicknames on cities arouse their ire ... San Franciscans hate Frisco, San Bernardinians get hot under the collar when they hear Berdoo and Los Angeles long ago cured people of calling it Los ... Now Cathedral City is up in arms ... Seems some people, too weary to pronounce the whole name, call it Cat City ... I don't blame the Cathedralites.

WISH they'd put a Pedestrian Stop sign in that lane across the Drive up at the police station ... The markings on the pavement are so faded that motorists

can't see them and many a time I think some people are going to have a chance to send poison ivy to the church after I try a crossing ... It's the second guy who is dangerous ... A car will stop at a cross walk and a pedestrian proceed across ... Just about that time, a second car will come booming around and if you aren't quick you'll be dead.

NEXT MONDAY is ground hog day ... If the animal in question sees his shadow as he quits hibernation, he ducks back into his hole for six weeks more of winter ... Otherwise he stays out and spring is just around the corner ... In other words, if it's fair here Monday, winter will be on for six weeks more ... If it's cloudy winter is over ... That would be a good thing but—It will be fair here Monday, there won't be six weeks more of winter and besides, I don't think there are any ground hogs in Palm Springs—just road hogs.

It's a lucky break for Johnny—because the family laundry machine is a new automatic and the water heater is now big enough for any emergency!

Life becomes calmer with a new, do-everything laundry machine in the house! But before you invest in one of these wonder-washers—be sure you have the kind of hot-water supply it must have to work properly. It takes about 40 gallons of 140-degree water in 80 minutes to turn out a fluffy, snow-white laundry. And an automatic gas water heater, designed to do that very thing—costs less to buy... less to operate, too!

Local Artists To Show at Indio

Entries Must Be in by February 1
For Exhibit at County Date Festival

Mrs. Rex Johnson, art chairman of the Riverside County Fair and Date festival, February 11 to 15, today declared that entry blanks for the art show, which may be secured at the Chamber of Commerce, must be filed before February 1.

Due to limited space, exhibits will be limited to two subjects per exhibitor and must not have been shown at a previous fair.

Local artists are much interested in the exhibition and will be well represented at the show. No entrance fee is charged for the show and there will be divisions for oils, water colors and a miscellaneous class. Premiums are offered in each section.

Spring?" will be the subject for several J.C.C. meetings in the future, including other speakers from community groups.

MORE THAN FIFTY MEMBERS were present for the meeting and the free supper provided by Max Dresner of the Hotel Del Tahquitz.

Several committee groups reported on plans for the future. Dr. Skarda's Forum group is now active, meeting on the first and third Wednesdays each month.

The governmental affairs group, with Bill Meyer as chairman, is planning a public forum at Palm Springs election time, and a campaign to get the voters registered and to the polls.

The publicity chiefs reported on progress of the national Bob Hope as Honorary Mayor campaign, biggest J.C.C. project to date.

Next general meeting will be Wednesday, February 11.

Bryson Amos in Charge of Down-Town Sale of
Ducats for Show; Four Classes of Tickets
Provided With Extra Seating Capacity Arranged

Tickets of admission to the spectacular championship rodeo which will draw cowboys, trick riders and ropers and other stellar rodeo performers from throughout the West to Palm Springs, February 7 and 8, went on sale in a booth downtown Tuesday.

In charge of the sales of the ducats is Bryson Amos of the Bank of America who is co-operating with the Palm Springs Horsemen's association and Los Compadres in production of the two-day show from which proceeds will be realized to swell the trails-building funds of the two organizations.

TICKETS are in four categories: boxes, reserved section, general admission and those for children and service men. Thousands of general admission seats are being provided in safe, steel bleachers being moved in for the event. Rearrangement of the

Field Club where the rodeo is to be presented, will provide the action close-up for all spectators. Andy Jauregui, who will provide the horses and cattle for the rodeo and also serve as arena director, reported today that riders throughout the Southwest are coming here for the two-day competition. Purses totaling more than \$1500 will be offered the riders. Twelve big events are on the program.

MEANWHILE, Manager Frank Bogert disclosed that he has completed arrangements for Monty Montana, film an drideo See BIG-TIME RODEO, Page 12

Cathedral City Church Budget Drive Under Way

Cathedral City Community church is staging a campaign to raise its 1948 budget during the two-week period expiring February 8. To get started right the congregation had a church family pot-luck dinner Monday. Dr. Macartney was present to give the needed inspiration and guidance for launching the campaign. Mrs. Virginia Osborn sang two vocal solos accompanied by Mrs. Ruth Duncan.

The new building and the increased program of the Cathedral church has necessitated a budget for this year that is several times larger than previous years. The congregation has used the Town Hall previous to this year, but the present plans for finishing and operating the new church and the building of the music involves advances far beyond the vision of few churches in our country. Cathedral City and all its friends are very proud of the many advances made by the village as a whole in the past year or two—the new church being one more step toward making the community everything it should be. The pastor, Rev. Jack Wartes, and all the church friends look forward to a great interest in and full cooperation toward this year's financial appeal so that all the goals that are set will be fully completed.

Sanitary District Election March 16 At Cathedral City

Board of supervisors Monday granted the petition of Cathedral City residents for the formation of a sanitary district.

March 16 was set as the date for the election on the proposals. Residents of the community will decide whether they want the district and if they do, will vote on directors.

A delegation of men and women from Cathedral City filled every available seat in the supervisors' chambers as they appeared to urge favorable action on the petition.

The project has long been advocated in the community.

Western Travel Expert Calls Present Touring Situation on West Coast "Craziest Deal"

People in Northwest Want to Come Here
But Are Under Wrong Impression, Believe
Village Is Full Up—And There's Room Here

"The craziest travel situation I've ever seen, with Palm Springs looking for business at the peak of its season, and thousands of would-be winter vacationists in the Pacific Northwest staying home in the belief the resort is full."

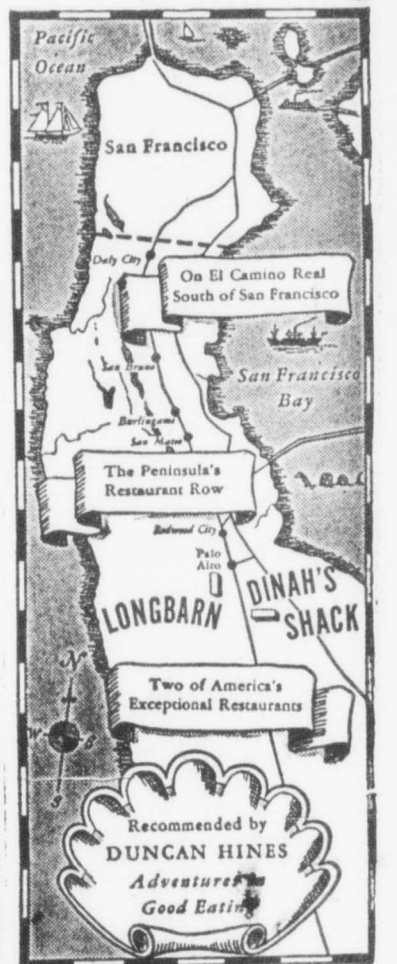

That's the stated opinion of Roy Falt of Spokane, Wash., noted western authority on travel, who paused here this week in the course of a survey of winter vacation travel in western states, Southern California and Baja California resorts. Among other periodicals, Falt is publisher of "Guide to the West" with editorial offices in Spokane.

COMPARING NOTES with Manager Harry Harper of the Chamber of Commerce, Falt revealed that some northwestern periodicals have carried warnings to their readers not to attempt to find winter quarters in Southern California, due, partially, to a supposed 100 per cent sellout.

"After reading this type of publicity in our periodicals at the beginning of December," said Falt, "I am amazed to see the very substantial numbers of va-

cancy signs throughout this area, especially at the peak of your season.

"I AM EVEN MORE surprised, as I make my present survey, to discover that none of the communities I have visited in Southern California are the sponsors of the erroneous information published. It had me fooled until I got here. Most of us in the Spokane area really believed it was See TRAVEL EXPERT, Page 13

Unfinished Apartment Hotel
PALM SPRINGS, CAL.

Tuesday, February 10th, 1948

3 P.M. Sharp—On Premises

What was to have been the most elaborate and gorgeous hotel in Palm Springs is to be sold to the highest bidder.

Artist's conception of completed building.

LOCATION IS CHOICE: N.W. corner of Palm Canyon Drive and Via Lola, running west to Camino del Corto, with three street frontages. Lot is slightly irregular, fronting approximately 143.88 feet on Palm Canyon Drive; 290 feet on Via Lola and about 123 feet on Camino del Corto. The north front has a depth of 292 feet. Palm Canyon Drive is the main thoroughfare of Palm Springs. The site is about one mile north of the center of Palm Springs. Some of the finest residences in Palm Springs are in the immediate vicinity of this property.

BUILDING DESIGN: Two-story and partial basement hotel building; also 16 ft. studio apartment units, extremely modern in design, embodying all the latest features for comfortable desert living and containing accommodations for 110 guests divided as follows: Nine 2-story studio apartments being 16 ft. in height, each containing living quarters with twin studio beds, electric kitchenette and bathroom; an upper balcony will contain twin beds and private bathroom with shower; also 37 commodious guest rooms, each with twin beds and bathroom. A large glassed-in dining room will front the patio and swimming pool. An attractive, modern designed lobby with a separate card room, lounge and office and guest and other toilet facilities on the main floor, as well as other usually required public space. The entire building will be refrigeration air-conditioned and electrically heated throughout. There will be a complete roof spray system.

SWIMMING POOL: Fronting south and fully exposed will be a modern swimming pool 25 feet wide front, 35 feet wide at the

rear, with a length of 50 feet around which there will be an extensive patio and lounging space. Separate sun decks for nude sunning are to be constructed on the roof.

FINANCIAL STRUCTURE: Figuring present estimated value of lot at \$125,000.00 (actual cost was \$48,300) there is an actual cost of \$523,249.67 now invested in the project as it stands in its unfinished state. A verifiable audit substantiates these figures. It is estimated that with some slight change in plans, project can be completed for an additional \$250,000.00. In the opinion of sources deemed reliable, a first mortgage can be obtained in the amount of \$250,000.00 to \$300,000.00. In other words, it is possible that this project will require in cash only the amount needed to purchase at auction. Estimated income \$259,182.00. Estimated total expenses \$61,700.00. Building will contain approximately 49,962 sq. ft.

Horse Tales

By RYDER

This year the Desert Circus will be a little earlier in the season than it had been in previous years. Don't forget the dates, March 10 to 13, incl.

This will be the 12th annual Circus but the usual Rodeo will not be incorporated within the week's activities this season; instead, there will be a Rodeo February 7 and 8 at the Field Club. Both of these events should be supported by all of the Villagers and visitors alike. Not only are both these affairs for the benefit of a worthy cause but they are a lot of fun to see. I can think of no better way to spend your vacation than to see the Rodeo and partake of the events of Desert Circus week.

JES' CHATTER: Have you seen the trick burro at the Burro Train station? Mary Ann is only three years old but has been taught to lie down and hold her head in the air until someone makes a noise like a gun being fired, at which point Mary Ann drops her head and plays "dead burro". A few feet away is George Garland, overseeing Jim Chandler's pony ring and the other day I found Edgar Bergen down there giving his new member of the family a ride on the pony. This is always a lot of fun and quite a thrill to the younger generation. Pat Reid has been selected as ring boss for the Rodeo. I have just learned that Pat's lord and master, Harry, Jr., is the owner of all the rights to the book, "Justin Morgan Had a Horse". This book is all about the development of the Morgan horse and was presented by the Columbia School of the Air, via KCMJ this past Tuesday. Mort Kellis is back in town again. Mort and his wife have been coming here for about 15 years and this season they are planning a five day pack trip with Trav Rogers, Bill and Mary Gargan and several other folks. Mr. and Mrs. Cyril Wagoner are here from Detroit to enjoy their honeymoon and have been among the regulars to attend Jack Boyer's Saturday morning breakfast rides. If you have never been on one of these rides, you have really been missing something. If you have attended in the past, you know that it is possible to get a horse from any stable and ride out on the desert to enjoy the cowboy breakfast Jack makes and serves from the chuck-wagon.

JACKIE WHITE, the lovely RKO starlet is in town and has been taking riding lessons at Smoke Tree ranch and she served as a model for some local publicity shots and also did some work along the same line with Pat Reid and George Rasmussen for the Bentley car. Mr. and Mrs. Harry A. Schaffer were riding the other day and we all had quite a discussion about dog breeding. The folks are from Minneapolis, where they breed German Shepherds. Jane Neel, Joe Butler, Zeek Reed and Dean Thomas were a few of the gang doing some calf roping the other day at Smoke Tree. Someone from one of the older riding clubs was heard to say that there were too many riding clubs in town. In a resort place such as this Village, there can not be too many such clubs. There is always room for another one. Most of the clubs limit their membership so that it is impossible for everyone to be a member. For my part, let's have more such clubs and then have all of them work together, if such a thing is possible. Tony Burke is sure busy these days doing the publicity for the Insanities, Prexy of the Desert Riders, member of the Horsemen's association, selling real estate and just riding for his own pleasure. Met him on the trail with Nancy Jaynes the other day. Nancy is the daughter of Oliver B., publisher of this paper and she is doing a column of her own that is really worth looking at. Jack Boyer has sold his horses to Ed Sergeant and will devote all his time to the catering service he has built up these past years. Frank Bogert had a Gymkhana at Thunderbird last Sunday and had a fine turnout. One mistake on Frank's record — the fellow he said was Al Burki, turned out to be Walt Disney. Al was riding about six hours later in the entry parade. George Rasmussen was one of the judges, Donny, Ray and Norm Rasmussen won several of the prizes and the Rasmussen name was among the winners of almost every class. I just read the preceding and it is not too well worded.

Last week I said Frank Bogert had made a mistake. This week I'm saying I made one. . . That wasn't Doc Peppers I saw out riding each morning. . . Must have been two other guys. . . Doc has bought himself some horses but says he has been out only three times this winter. . . Once each on each of the horses. Butch Jenkins, that wonderful little fellow from the movies, was down there riding and served as one of the judges in selecting the ring boss for the rodeo. Very good selecting Butch but be careful, Harry is a big guy, almost as big as Frank Bogert. "What price glory" is Freddie Watson's theme song. After selecting a place for the Desert Riders to meet on one of the breakfast rides, the spot was called Watson's Gulch but the next day it became known as Rocky Cove. Fame is sure short lived, ain't it Freddie? Mr. and Mrs. S. W. Banowitz from Glen-coe, Ill., have taken a home here for the season and they, with son Joel, age 3 1/2, are down at the Araby stables every day riding.

COIN RICKETTS and Little Bear have now started a ride for the Cub Scouts every Sunday morning at the Rancho Stables

and plan a weenie roast for this week. Mrs. Engram now has the lights around the ring down there and the Bit and Spur have been taking advantage of the facilities and ride several evenings each week. Homer White has left the Village for parts in the North and we sure wish him luck wherever he and his family hang their hats. Jim Shaw is now guiding at the La Cita stables and has been replaced by Mack at The Stables. Mack and Wally are holding forth on the north side and will be happy to see any of their old friends who get up that way.

Jack Klorr gave us his version of Dr. Drag Harlin of the breakfast show business during the side-fast ride Saturday. Doc Harlin told us all about Azora, the wild woman but the good doctor seems to show signs of the Bastille pallor for some reason or other. I told you you would see her, Keta Bailey was out at the breakfast ride and also at the gymkhana Sunday. Maylin McKay is also back in town and should be found out in the desert every day with her favorite spot, Jigger. Leo Fields is back in the swing of things and will soon be up to his ears getting fines from people during the Kangaroo Court sessions through Circus Week. Hutch Mosley did right well during the trail horse class at Thunderbird but the animal did give him a rather rough bump on the head. All this, just after being confined to bed for almost a week. Hope your luck changes soon, Hutch. Jerry Mack placed second in the calf roping and took home the second prize to his new wife. He was married New Year's morning in Riverside. Jeannie Godshall attended the gymkhana but did not ride. She will be doing her stuff during the rodeo and is one of the top flight trick riders.

VEE HILL, Rusty Heaton and Carrol Platt were down from the Hitching Post where they supply the music for the folks. Carrol is about 6 feet tall. Most of us can sure look up to her. Faye Richards was back in town for a visit. She has been in the hospital for a few weeks and plans to return to the Village soon. Ah me, life will again be worth living when she comes back. Wall Spalding and Phil Bordan won the rescue race and were pushed hard by Phil Delano and Bill Wilson. Bill

Mrs. Meyer Back in Village

Mrs. Harry Meyer, Pacific coast representative of Leron, is back in Palm Springs with her exclusive line of European linens and lingerie.

In this, her seventh season in the Village, her fine stock will be displayed in the Potter Clinic building after Feb. 2.

During the summer Mrs. Meyer held shows at the Town House in Los Angeles, the Mark Hopkins in San Francisco, the Pine Inn at Carmel and at Waikiki beach.

is now the outlet for one of the boot companies and has some fine looking boots in the station wagon window. Gene Dorsey is moving to Twenty-nine Palms where he will open a riding stable very soon.

Mrs. E. Labadie, Rozenne Richards, Dorothy Hill Lord, George Holly and George Pelton have been riding from Smoke Tree every morning. The Desert Riders had a fine steak fry in the Palm Canyon wash Thursday night. Mrs. Wren Tevis, George Pelton and Jack Hanrahan were among the guests at the meeting and enjoyed the singing of Johnny Boyle as he stood next to the big camp fire. The romantic west lives again!

The club is re-opening the Tahquitz trail and have done a lot of work on the Araby trail, Dripping Springs and Wild Horse trails. All the clubs are doing much to maintain the trails and deserve all the support you can give them. If you are interested in doing a little something to help these clubs, drop them a line or send me a card at P.O. Box 431. Don't send me any contribution, I'm not collecting for any club, I just dispense info.

Erma Sahm, former resident of the Village was here for a few days and was out riding several mornings with Timmy Timmons and Marj Hyde. It was good to see this cute little gal with her dark hair and old blue jeans. Come back soon again.

Harvey Bissell of New Mexico is visiting Thunderbird. He has quite a cattle and quarter horse ranch over there so he took a busman's holiday and came out here. Also at Thunderbird is the Jim Crider family who have brought their own horses with them for an extended visit. Jimmy Durante and Lou Clayton are at Wonder Palms but have not been riding as yet. Georgie Stone is at La Paz and is always one of the large party to attend the various Western events in the Village.

3 Unions Block Labor Peace—Refuse Wage Boost Already Accepted by 19 Other Railroad Unions!

The Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen and the Switchmen's Union of North America, representing 125,000 railroad employees, have refused to accept the offer of the Railroads of a wage increase of 15 1/2 cents an hour.

This is the same increase awarded 1,000,000 non-operating employees by an arbitration board in September, 1947. This is the same increase accepted by 175,000 conductors, trainmen and switchmen by agreement on November 14, 1947. Agreements have been made with 1,175,000 employees, represented by nineteen unions. But these three unions, representing only 125,000 men, are trying to get more. They are demanding also many new working rules not embraced in the settlement with the conductors and trainmen.

Incidentally, the Switchmen's Union of North America represents only about 7% of all railroad switchmen, the other 93% being represented by the Brotherhood of Railroad Trainmen and covered by the settlement with that union.

Strike Threat

The leaders of these three unions spread a strike ballot, while negotiations were still in progress. This is not a secret vote but is taken by union leaders and votes are signed by the employees in the presence of union representatives. When direct negotiations failed, the leaders of these three unions refused to join the railroad in asking the National Mediation Board to attempt to settle the dispute, but the Board took jurisdiction at the request of the carriers and has been earnestly attempting since November 24, 1947, to bring about a settlement. The Board on January 15, 1948, announced its inability to reach a mediation settlement. The leaders of the unions rejected the request of the Mediation Board to arbitrate. The railroads accepted.

What Now?

The Unions having refused to arbitrate, the Railway Labor Act provides for the appointment of a fact-finding board by the President.

The railroads feel it is due shippers, passengers, employees, stockholders, and the general public to know that throughout these negotiations and in mediation, they have not only exerted every effort to reach a fair and reasonable settlement, but they have also met every requirement of the Railway Labor Act respecting the negotiation, mediation, and arbitration of labor disputes.

It seems unthinkable that these three unions, representing less than 10 per cent of railroad

employees, and those among the highest paid, can successfully maintain the threat of a paralyzing strike against the interest of the entire country—and against 90 per cent of their fellow employees.

The threat of a strike cannot justify granting more favorable conditions to 125,000 employees than have already been put in effect for 1,175,000, nor will it alter the opposition of the railroads to unwarranted wage increases or to changes in working rules which are not justified.

A glance at the box shows what employees represented by the Engineers and Firemen make. They are among the highest paid in the ranks of labor in the United States, if not the highest.

Compare these wages with what you make!

Here is a comparison of average annual earnings of engineers and firemen for 1939 (pre-war) and 1947. Also shown is what 1947 earnings would have been if the 15 1/2 cents per hour increase, offered by the railroads and rejected by the union leaders, had been in effect throughout the entire year 1947.	1939 Average Annual Earnings	1947 Average Annual Earnings	1947 Average Annual Earnings with 15 1/2 Cents per Hour Added

Gage Show Puts Palm Springs Out on the Air

In the midst of the needed national publicity Palm Springs is obtaining now through picture stories of Honorary Mayor Bob Hope, Palm Springs' radio station, KCMJ, reports that CBS is also keeping the Palm Springs ball rolling. On last Friday's Danny Thomas show, coast to coast, Danny's main skit with announcer Ben Gage was on a train bound for Palm Springs.

Through the minutes of Friday night laughs, Thomas and Gage

punctuated the comedy with outspoken dreams of a Palm Springs paradise. Listeners lost count after 28 mentions of the desert resort.

Thomas, incidentally, spent a recent vacation at one of the desert guest ranches here, before starting his Friday night stanza for CBS and KCMJ.

When half of the Plymouth colony of Pilgrims died during their first winter in America, the survivors levelled the graves and sowed them with grain in the spring to conceal their losses from the Indians, according to the Encyclopaedia Britannica.

One-half the mass of the air is below the 3½-mile level.

Firm Stand by United States In Palestine Needed to Prevent Outbreak of World War III

Colonel R. V. C. Bodley, soldier, nomad, adventurer, and author, lectured on the "Palestine Issue" before a crowd of nearly 250 persons at the American Legion auditorium Thursday of last week. This lecture was the first in a series of four on the theme, "America Surveys the European Crisis," sponsored by the local high school. The actual count of signed attendance slips turned in by audience members was 226.

Col. Bodley explained briefly at the beginning of his formal presentation, who Mohammed was and what his religion represents. He then explained the creed and duties of Islam, and concluded the first part of his lecture by telling who the Moslems are, where they live, and something about their place in politics today.

THE SPEAKER pointed out that the Moslems play an important part in the political affairs of the middle East at this time for two reasons: 1) Because of the Sacred cities in that area and 2) because of the oil. He described the vast Anglo-American investments tied up with the Arabs or Moslems, insisting that Britain and the United States are dependent on the good will of the Arabs and that they should allow nothing to happen to break down this good will. Oil production in Saudi Arabia, he said, was over seventy million barrels in 1947.

In the second part of his presentation, Colonel Bodley said there is no such thing as a Jewish race. It does not exist any more than a Christian or Moslem race. The race is Hebrew, the nation is Israel, and the religion is Jewish. The Hebrews belong to the Semitic branch of the white caucasian race and have the same nationality as the Arabs.

"THE ARABS occupied Palestine in 3500 B.C.," said the speaker. They never left the country and have been its rulers for 1200 years. The Jews, on the contrary, ruled the country only once under one sovereign and then only for 160 years, and that was 2332 years ago.

"Russia backed the partition plan in Palestine because it wants to start trouble which will lead to a holy war which is likely to prove to the best interest of Russia over a period of time. She backed partition with this in mind or else she wished to discredit the United Nations and have herself called in to enforce partition.

IN THE THIRD PART of his discourse Colonel Bodley discussed possible solution to the problem. He said "let the moderate Moslems and moderate Jews get together and talk it out. Forbid interference from the Occidentals. The Orientals are masters of compromise if allowed to carry out negotiations in their own way." The speaker warned that if there is meddling a holy war may start and spread at a moment's notice.

Although Colonel Bodley admonished Occidentals not to interfere in the struggle between the Jews and Arabs he revealed a strong personal hope that the United States would do everything in its power to check an expansionist policy by Russia that could gain by accretion the wealth and power of the Moslems. The speaker made it clear that he thought that interference on the part of the United States in the struggle between the Jews

star of many years, to come here for trick riding and roping exhibitions at the Palm Springs and Indio schools next week. The star performer will be accompanied by his son, Monty Jr., who is rapidly becoming as proficient as his famous father in making a lariat do funny things and in performing difficult riding feats.

Every charitable act is a steppingstone toward heaven.—Henry Ward Beecher.

and Arabs might give the Russians an opportunity to gain control over all of Europe and Asia. It was his opinion that the Russians are attempting to trick us into a meddling that will prove disastrous to our interests in the Middle East and elsewhere.

"I HOPE," said the speaker, "that the United States will put its foot down on further expansionist policies on the part of Russia, will get out the big stick and say no, no, no. Protests or threats backed up by action in 1938 could have stopped World War II. We should watch the Russians and check their aggression and avoid meddling in relatively minor disputes between the Jews and Arabs.

The next forum meeting will be held Thursday evening, February 19, at 8 p.m. in the American Legion auditorium. The speaker will be C. Wellington Furlong, F.R.G.S., explorer, soldier, war correspondent, and writer. He will speak on the subject "Focal Points of Peace."

All four talks in this winter series of forum meetings are related to the theme, "America surveys the European crisis." Dr. E. E. Oertel is serving as moderator for the meeting.

Tax Notes

By EDWARD J. NELISSEN

INDIVIDUAL TAX RETURNS

For the next six weeks these articles will deal with individual tax returns due March 15, 1948. These articles are not intended as instructions in filing your own tax return if it is complicated, but rather as a help in furnishing the necessary information to your tax consultant.

Since tax computations on all individual returns allow exemptions for dependents it seems appropriate to start these articles with the definition of "dependents."

If a joint return is filed husband and wife are entitled to an exemption of \$500.00 each or an aggregate of \$1000.00. Husband and wife need not be living together but must not be legally divorced in order to be entitled to the aggregate exemption of \$1000.00. If husband and wife file separate returns each would take one \$500.00 exemption. (The advantages and disadvantages of joint returns or separate returns will be discussed in future articles). Other "dependents" are close relatives who received more than one-half of their support from the person claiming the exemption AND meet the following requirements:

1) The dependent had less than \$500.00 income.

2) The dependent, if married, did not make a joint return with his or her spouse.

3) The dependent is a "close relative" which means: Son, daughter, or descendant of either, stepson, stepdaughter, son-in-law, daughter-in-law; father, mother or ancestor of either; stepfather, stepmother, father-in-law, mother-in-law; brother, sister, stepbrother, step-sister, half-brother, half-sister, brother-in-law, sister-in-law, uncle, aunt, nephew or niece. Adopted children are considered dependents.

4) The dependent lives in the United States, Canada or Mexico. Proration of the exemption is not required. If a child was born during the year the full \$500.00 may be taken, likewise if a dependent dies during the year the full exemption may be taken. If you are married at the end of the year you can claim the full aggregate exemption provided your spouse did not earn over \$500.00 during the year AND does not file a separate return.

Parents of a veteran may claim

the veteran as a dependent if he is going to school under the G. I. Bill of Rights AND the parents furnish more than one-half of the actual support of the veteran. A good cover for a rolling pin is a child's white ribbed cotton stocking with the foot cut off. It will help prevent cookie or pastry dough from sticking.

Travel Expert...

no use trying to get into a jam-packed Palm Springs this winter."

Fait, traveling by automobile, said he has yet to encounter a California community in which he could not readily obtain accommodations, even though he arrived as late as midnight.

"It's good news to hear you have got a little advertising kitty together for the Northwest," Fait told Harper, referring to the Chamber's announcement that its advertising committee had given the go-ahead for a limited schedule of Palm Springs ads starting this week in Seattle, Olympia, Spokane, Tacoma, Portland, Eugene and Salem newspapers.

THE TRAVEL EXPERT agreed with Harper, however, that while any effort is better than none, the full results could hardly be realized without a "big time" push commensurate with this resort's importance on the nation's vacation map.

Fait, revealing his own rule-of-thumb calculations, told Harper he believed that an expenditure by Palm Springs of between \$7000 and \$10,000 now, would return many times its cost to this community this season.

Harper confirmed the visiting publisher's own estimates that Palm Springs draws roughly about half its winter business from the west coast, with emphasis on the northwest, and the other half divided between mid-west and eastern sources.

"There is tangible evidence on every highway that Southern California is not getting the northwestern business it could and should," said Fait.

"LICENSE PLATES of Oregon, Washington, Idaho, Montana and Utah, together with California plates bearing the northern California prefixes, are only a sprinkle on the highways I have traveled.

"While in a sense it is a snap judgment, I am forced to conclude that winter travelers from those sections are avoiding your region, or else staying at home in droves in the belief that space is unavailable. To an outsider, it would appear that unless a remedy is provided, this will be a severe blow to a community like Palm Springs, which has expanded its guest facilities some 40 per cent in the last year."

FAIT INFORMED Harper he will attempt to erase the "standing room only" impression through his forthcoming editions. Another myth he will seek to explode, he announced, is the published information that "all Southern California reservations must be accompanied by a check."

His spring and fall editions, Fait said, will explain that the customs here follow the national pattern for seasonal resorts, with the practices varying according to arrangements reached between prospective guests and the hotel operators.

Fait left yesterday for a swing through Utah, and will make a second circuit of Southern California cities before returning to Spokane.

Christian Science Lecture Will Be Presented Feb. 3

"Christian Science: The Knowledge of Continuous Well-Being," is the title of the free lecture on Christian Science to be given at the Woman's Clubhouse, 314 So. Cahuilla road, next Tuesday evening, February 3, at 8 o'clock. Evelyn F. Heywood, C.S.B., the lecturer, comes from London, England, and is a member of the board of lecturership of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. Miss Heywood is speaking for Christian Science Society, Palm Springs.

In arranging for the lecture, the members of Christian Science Society, of Palm Springs, believe they are providing a means for

Your Community Hospital

(Below is the second in a series of six articles on the Palm Springs Community Hospital, prepared by Howard Jay, hospital consultant, on authorization of the Community Hospital Board of Directors.)

Who Runs Your Community Hospital?

The Board of Directors of 30 members hold their annual election of officers on the first Thursday following the annual meeting of the "Palm Springs Community Hospital Association". The officers elected for a one-year term are:—a president, a first vice-president, a second vice-president, a secretary, and a treasurer.

These officers, with the assistance of the board, in major matters, formulate the policies and operate the institution. But that's not all—

THE DIRECTORS, other than the officers, are organized into and do serve on one or more of eight committees. Each committee's duties are defined and have but one categorical function. These committees are: Policy, "medical or liaison," lands and building, executive (the executive committee coordinates the function of other committees and acts for the board between board meetings), management, finance, public relations, volunteer workers, and special furnishings.

In support of the officers and the committees the following organizations make important contributions to the successful operation of the institution: The Palm Springs Woman's Club, Welfare and Friendly Aid, Women's Auxiliary, Soroptimist's Club, Business Women's Club, Veteran's organizations and auxiliaries, Eastern Stars and most of the inter-church women's groups.

Emergency nursing is often supplied by the Red Cross Nurses Aids. Social workers are ably assisted by the Welfare and Friendly Aid group. The Gray Ladies have done valuable work, in the receptionist field, of the hospital.

ADD ALL THIS greatly appreciated volunteer help to the all important professional staff which is carried on in the hospital, by an organized medical staff of 29 physicians and surgeons—the X-ray and laboratory technicians, nurses highly trained in the field of surgery and obstetrics, the individual nursing under the direction of members of the medical staff covering a wide range of cases which are brought to the hospital for care; the employees who prepare the special diets and food for patients and employees; the men and women who have the responsibility of keeping the hospital clean and sanitary; the people who have the responsibility of the books and general office procedure, all contributing their services, then we have the answer to "Who Runs Your Community Hospital?"

Watch for the next article in this series, No. III, "What Are the Principal Hospital Functions and Objectives?"

reaching many people with answers to frequent questions about Christian Science—what it teaches, how it heals, why thousands have become its adherents. A cordial invitation is extended to the public to attend.

Famed Events Back in Circus

Features Of Past Returned

Western Barbecue
And Fashion Show
Again on Program

The gala western barbecue and western fashion show, traditionally staged at the Stables through many years of Circus history, has been restored to the schedule of events for the 12th Annual Desert Circus and will be held on Thursday, March 11, at Thunderbird Ranch, it was announced today by General Chairman Bill Grant.

In charge of the colorful event which is expected to attract more than 400 persons, is Trav Rogers, prominent in Circus history since its inception.

Also a highlight of the program will be a session of the Kangaroo court before which many notables and famed personages of film, radio and screen will be hauled on an assortment of charges.

The Circus schedule is to open Wednesday with the customary fashionable luncheon and Kangaroo court at the Desert Inn. The Village Insanities will run for three nights this year in the auditorium of the Wars Memorial building on Bellard road, being directed this year by Mrs. Melba Bennett who has produced the widely known Vanities and Insanities shows of the Circus history.

Meanwhile, the headquarters of the Circus at the Chamber of Commerce offices is rapidly becoming one of the busiest spots of the town as Chairman Grant completes the organization of the Circus. The telephone number of the headquarters is 2993.

C. Thomas Wheeler of Riverside has been named chairman of the annual fund campaign of the Riverside county Red Cross chapter, according to announcement of officials Wednesday. The drive begins March 1 and continues throughout the month.

WORK STARTED—Ground was broken this week at the Cahuilla school on the first project of a vast school expansion program. Taking part in the ceremonies were, left to right, John Secrest, vice-president, Secrest Construction company; W. R. Hillery, president, school board; P. H. Lester, resident manager for Secrest; John Porter Clark, architect; Barry L. Frost, inspector; Mrs. Alma Gilbert, principal, Cahuilla school; E. F. Hall, engineer, Secrest company; Miss Katherine Finchy, district superintendent; H. M. Secrest, president Secrest company; Gordon Feekings, school board member.

Work Begun on School Construction Program

Ground was broken this week on the first of four school building projects which will add 15 rooms to the overcrowded elementary school district.

First of the four projects was at the Cahuilla school where five class rooms, a kindergarten and an office room will be added. Other additions will be made at Nellie B. Coffman, Desert Hot Springs and Cathedral City buildings.

The Secrest Construction company was awarded the contract for the 15 rooms on its bid of \$229,771. Officials of the company and school officials took part in Monday's ceremony. The construction project is financed from the \$750,000 bond issue voted here recently.

Need More Voices For Easter Dawn Broadcast Chorus

Rehearsals for Annual Sunrise Service Now Held Thursday Nights

Want your voice to be heard on a coast to coast broadcast?

Then show up at the Community church Thursday nights at 8:15 o'clock, if you can sing, and join the chorus which will be heard over a nationwide radio hook-up Easter morning. Mrs. Holly Lash Visel, director of the choir which will be featured on the program greeting Easter dawn, said yesterday that about 15 or 20 more Village people are needed to round out the choir of 50 for the nationally known service.

Rehearsals are held each Thursday night at 8:15 at the church and between 30 and 35 Villagers have been turning out, Mrs. Visel yesterday sounded an appeal for enough more to round out the chorus of 50 voices.

The Easter dawn service is broadcast nationally by Columbia Broadcasting system through the local affiliate, KCMJ. An annual feature here for many years, it is held on the hillside back of the Desert Inn grounds.

Some oil wells cost about \$250,000 to drill.

Trailer Survey Under Way Here

A. Heinzman, inspector from the State Division of Housing will be in Palm Springs this week to investigate the degree of compliance here under the new state law relating to trailers and trailer parks.

It is understood that rigid enforcement of the law pertaining to the use of trailers and parks will follow the inspector's visit to Palm Springs.

Home of Friendly
Service Sounds Appeal

The Home of Friendly Service, on East Amado road at the Health Center, is in need of contributions, Mrs. George B. Davies, in charge, said this week.

Stocks have been seriously depleted and Villagers are urged to survey their wardrobes and bring in surplus articles to the Health Center.

Contributions must be clean and any type is wanted, men's, women's and children's. The need is urgent, Mrs. Davies said.

Fresh citrus fruit stains, such as lemon or grapefruit, on fabric should be washed out immediately in warm, soapy water.

Four Days Left in Which to Obtain New License Tabs

February 4 Deadline
Near, Penalties To Be
Added After Wednesday

Warning was issued to Village motorists and visitors here who need California licenses that only four business days remain in which to obtain the little silver and red license tabs for 1948 without paying penalties.

Deadline for obtaining the tabs by paying license and in lieu fees, is February 4. The white slip and proper fee must accompany the application for the license.

All fees are approximately \$3 higher this year.

Second Annual Desert Fashion Fair of Cathedral City Woman's Club Another Outstanding Success

The Cathedral City Woman's club presented their second Desert Fashion Fair last Wednesday noon at the Palm House. It was voted the most popular and entertaining event of the club season by the 200 ladies who attended.

Gene Hughes and Vic Sudaya, the new owners of the Palm House generously included a program by their entire cast of evening performers in addition to the excellent luncheon. Frankie Ortega with his piano and his rhythmic orchestrations and Artie Wayne, composer and popular radio artist, sang one of his own compositions as well as request numbers. Ballroom dances were demonstrated by Henri Pierre and partner teachers at the Veloz and Yolanda dance studio in the Del Tahquitz hotel.

MRS. BESSIE KELLEY, club president, opened the program with a speech of welcome in which she told that the occasion might be considered a celebration of the tenth anniversary of the founding of the club and that six of its seven presidents were in the audience including the founder, Mrs. Emma McMickle.

The mistress of ceremonies, Mrs. Maxine Okerlund, a club member, kept the show going quickly and smoothly. She was never at a loss for words as each model presented her with a card giving the merits of the dress being exhibited, thus showing Mabel Carson's experienced hand as director of the entire affair. From the enthusiastic reports of those who attended all four shops, Sunny's, Scott's, and Josephine's Toggery in Cathedral and the Palo Verde in Rancho Mirage have made many new customers. Mrs. Carson had as her guest and model Virginia Goodhue, the 1948 Queen of the Tournament of Roses. Jana, talented artist of pastels, loaned by the hosts, made a fifteen minute

sketch of the "Queen" which was a living likeness.

SIX OF THE EIGHTEEN models were members of the Woman's Club, Linnea Watts, Jackie Martin, LaVerle Ring, Mildred Clark, LaVine Hale and Ruth Nordstrom. The four shop managers, Fern Scott, Josephine Johnson, Betty Bleeker and Mhairi stylist, were the club members. Carson, also Lois Barclay, was given. Other models were local girls, Cleo Porter, Ruby Millington, Christy Carver, Marguerite Wilson, Ruth Chamberlin, Sadie Tupper, Winifred Smith, Shirley Mizysak, Patti Hamilton, Shirley Clark and Mrs. C. Van de Walker. Modelling children's clothes from Scott's, Vickie Palmer age four, and David Okerlund of teen age were popular additions to the fashion parade. J. Lincoln Ball, in Scott's "What the well-dressed-man-about-the-desert should wear, brought languishing glances from the ladies, and some female wolf calls.

There is no doubt about it—this is an event which should continue to be a planned annual affair from now on, adding its measure to the desert attractions.

The famous U. S. China trade of the Clipper-ship era declined when the California gold rush drew fast ships into the round-horn passenger trade and other ships entered the trans-Atlantic field, carrying Irish immigrants from their famine-stricken country.

Cathedral City News Roundup

Charles S. Warnock, Father of Cathedral City Woman Dies

Charles Swinton Warnock, father of Mrs. Anita McMahan and Gordon's grandfather passed away in Los Angeles Jan. 11 at the age of 82. A heart attack, following a cold was the cause. Mr. Warnock has been a familiar figure along the streets on the south side of the highway where he took his daily walks. He has lived with the McMahan's since his wife died in April, 1945.

Most of Mr. Warnock's youth was spent in the southern states. After his marriage he went to Mexico in 1898 but has spent the last eighteen years in California. While in the tropics he became interested in the subject of ventilation, an interest which absorbed him all his life. He perfected a ventilator which is still in use on some of the Los Angeles transit lines. Five children survive him, four daughters and a son, Mary Deichman, Los Angeles; Myrtle G. Warnock, Caracas, Venezuela; Gladys Hopkins, New York; Charles A. Warnock of New Orleans and Anita McMahan, Cathedral City.

Fifty guests helped Edna and Claude Cobb celebrate their silver wedding anniversary Jan. 24 at a buffet supper at the Hilary's. A turkey and ham dinner of superlative taste was prepared by Marguerite. Several gifts were presented and games were played.

Mr. and Mrs. E. N. Sturtevant of Redlands is visiting her son Cecil for two weeks. Cecil lives alone on B and Encelia lane.

Bill Schwartz, barber, announces the arrival of Jack Copeland from the Globe barber shop, Los Angeles, who is to assist him. Mr. Copeland's wife is here too and they will keep the shop open throughout the summer.

Hattie Schwartz's cousin, Grace Mae Dering, supervisor of the orchestra is the music division of the Los Angeles city schools since 1920 died of a heart attack last week while conducting a rehearsal at the Masonic Temple in Los Angeles. The Dering Violin Memorial Fund has been created to provide musical instruments for elementary school children free of charge. Mrs. Schwartz attended the funeral in the Rosedale cemetery.

Miss Grace Wolcott gave an evening entertainment of Mark Twain and O. Henry dialect readings to a group of guests and their friends at Desert Lodge last Thursday night. Miss Wolcott has had professional experience with the Little Theatre group in Bath, England, and at the Pasadena Community theater as well as attending drama classes at Northwestern University and Emerson College, Boston.

The dining room of the Totem Pole cafe has been leased to Lester Means, formerly with the Wonder Palms hotel. The Lions club voted his cuisine perfect at their dinner Thursday night.

Mr. and Mrs. Carl Sammons returned to Cathedral City for the tenth season last week and have rented the Brown's "Wee House" on Second street. Mr. Sammons is one of California's noted painters.

Speaking of painters, Jim Wolseth is building a "working studio" for himself and his artistic friends and at the rate it is going up will hold a housewarming soon.

Famous Winter Visitor Taken By Death at Santa Monica Home

Dr. Weston A. Price, uncle of Willard Price of Cathedral City, well known author, who died last week at Santa Monica, the result of a heart ailment, was well known in the desert area, having frequently visited his nephew and the latter's wife here since 1943. At that time he retired from his dental laboratory to live in Redlands. He moved to Santa Monica last year. Dr. Price won international fame for his work as a pioneer in dental research. Turning from test tubes and microscopes to the obvious but unstudied evidence among human beings, Dr. Price sought the factors responsible for fine teeth among people who had them—the isolated primitives.

THE WORLD became his laboratory. As he traveled his findings led him to the belief that dental caries was merely one expression of physical degeneration from what he had suspected—nutritional deficiencies. His expeditions carried him from the isolated villages in Switzerland, the Gaelic villages in the Outer Hebrides to the Eskimos and Indians of North and South America, and out to the Melanesians any Polynesians of the South Sea Islands. From thence to Africa, down to the Australian aborigines and New Zealand Maories. In evaluating his studies one is

impressed by the fact that never again will such isolated primitives be found. The global war has brought civilized influences into the most remote corners of the world, and without question has disturbed that primitive food pattern which Dr. Price was investigating. The material acquired on these trips which took him over 100,000 miles, he compiled in a book, Nutrition and Physical Degeneration. Now in its fourth edition, the volume has been an inspiration to many thousands of persons working in the field of nutrition.

THE AMERICAN ACADEMY of Applied Nutrition has been highly honored by Dr. Price's gift of the data from his studies and research material from his fifty years of scientific work for human betterment.

The deceased was past president of the Ohio Dental Society and one of the founders of the research institution of the National Dental Association. His widow has taken the body to Cleveland for burial.

Preparations for "Cactus Jumpers Jamboree" Started

The Chamber of Commerce has begun preparations for its annual Cactus Jumper's Jamboree, the next event of importance on the Cathedral City calendar. Claude Cobb, chairman will hold a meeting of committee heads at his home on Thursday night, Jan. 29.

The Cactus Jumper's Barbecue with afternoon and evening of fun for people of all ages is an event most residents feel they cannot afford to miss. Claude says the date has been set—Saturday, Feb. 28, and that the public can look for new "special events" in the form of "Wife Calling" contests and a tastier barbecue than ever before.

Brazil exported about as much rubber in 1920 as it did in 1910, but in 1910, the 16 to 20 thousand-ton export was 90 per cent of the world supply and in 1920 it was about 10 per cent.

Cathedral City Chamber Will Elect Feb. 16

Annual election of directors for the Cathedral City Chamber of Commerce is scheduled to be held in Town Hall, February 16.

Only paid up members of the organization will be permitted to cast their votes. Membership dues for the year 1948 are due and payable by February 1, according to Paul Clark, Chamber of Commerce secretary.

Membership cards are being issued at the H. M. Blakeley real estate office.
